Emergency First Aid

North end of main hangar, includes an automated defibrillator. Smaller kit in club house.

You are staying right next door to an active airfield.

1. Please do not stray on to the areas bounded by red during daylight.
2. Your car will not be insured to be on the airfield.
3. You are welcome to walk around the airfield on the peritrack (gravel path) - if the launch point bus is at the east back wall please go around the back of it.
4. Never use the roads that cross the airfield.

Getting to Camphill.

All you XC pilots will have more nav aids than Apollo 11 so use your SatNav with our postcode, SK17 8RQ. See us on Google Maps.

Your mobile phone signal - plan for none and the signal you get will be a bonus! Coverage is poor & zero in our clubhouse with our 3 foot thick stone walls. There is a payphone for outgoing calls and it accepts incoming calls on 01298 871207
